

YOU MATTER. USE SUBSTANCES SAFELY

BE PREPARED
if something goes wrong...

1 Call 911

**2 Stay until help arrives;
The Good Samaritan Act
legally protects you if
you call emergency
services to help with a
drug overdose**

**3 Use a Naloxone kit if
you have access to one**

What is Naloxone?

Naloxone is a medication that is able to temporarily reverse the effects of an opioid overdose

Where can I get a naloxone kit?

Naloxone kits are available for free from the Community Health Van and at local pharmacies.

Ask a trusted adult at The Grove Hubs for more information.
